Points Director – Kyle Felts

Webmaster – Gloria Reiffer

- Videos from Corvette Crossroads have been posted to the Pictures page of the website under 2026 events. Unfortunately, just as Capital City cars passed us, I must have tapped record a second time and all recording ended. I didn't notice until the last 5 minutes of the parade so if you came after the Duncans you got recorded. However, Randy Putmon caught the entire parade downtown.
- I believe that the Calendar and Event Flyers pages are up to date. Please let me know if I've missed anything, or if your flyer has changed since original posting.
- I ask that all Website communications be sent to webmaster@ccc Corvette.org. When you send to one of my personal email addresses the message can get buried.

Regional Membership – Jennifer Wiegers

- We currently have 16 clubs in our Michigan Region
 - 1,083 members overall including 24 MAL members.
 - We have gained 15 new members since July.
 - Congratulations to the following clubs on welcoming new members since July
 - Grand Valley Corvette Association – 3 New Members
 - Corvette Club of Michigan – 5 New Members
 - Westshore Corvettes – 7 New Members
 - I can see that Capital City Corvette Club, Kalamazoo Corvette Club and Calhoun County Corvette Club have 2 members each sitting to be processed. So, congrats to those clubs too. Just waiting on your checks.
 - Largest 3 clubs in the region:
 - America's Corvette Club with 173 NCCC Members
 - Kalamazoo Corvette Club with 164 NCCC Members
 - Corvette Club of Michigan with 134 NCCC Members

- Renewal season is upon us. I will have more information to share on this after national meetings this weekend. Please remember that Club renewals are due earlier this year as we need more time to process things in the database. Last year was a bit of a disaster, so we need to regroup for this year. All renewals must be in to me with correct payments received NO LATER than November 15th. Please plan accordingly based on what this means for your club renewal process. Please don't wait until the last minute and bring everything to the meeting in November. That should be your last option.
- We will be talking at national meetings this weekend amongst the membership committee about re-aligning some regions. It doesn't affect us here in Michigan as far as I have been told as of this moment. The regions being affected are:
 - Northwest Region, Rocky Mountain Region, Road Runner Region (this would make 20 clubs and 1389 members)
 - East Ohio, West Ohio (this would make 18 clubs and 980 members)
 - Northeast Region, East Region (this would make 26 clubs and 1850 members)
 - Southeast Region, Carolina Region (this would make 21 clubs and 1491 members)
- As you are aware from the national meeting minutes and subsequent emails that have been sent out, there is a 50% discount program that is now in place at the NCCC level. This is only for new members who purchase a Corvette from a second-tier dealer and it is only good for one membership term. Apparently, clubs and regions can opt out of this program. Bernie DeMarkey who is one of those that proposed this idea will be attending the RMD meeting on Friday evening to answer questions about this program. I will have more to share on this after the national meetings

Members participating in parades as part of a club were reminded about the importance of obtaining the appropriate adult and minor waivers. Minor waivers must be signed on both sides of the page. Discussion also covered the requirements regarding retention of minor waivers
- Kathy also discussed the possibility of establishing MI Region ambassadors to help promote NCCC membership at major Corvette events and car shows

Committee Reports

6.1 By-Law Committee

- Kathy looked over the By-Laws and decided nothing needed updating at this time. The last update was done last year in 2025
- Discussed Article VIII, Section 2 due to some confusion regarding the \$0.75 regional sanction fee for events within the region. Joe Scafero, co-author of this by-law, explained the history, purpose and the revenue this by-law generates for the Region. The intention is that the fee shall be collected for both member and non-member entrants of sanctioned events. This by-law will stand as written. For help calculating your event's sanction fees, please use the MI Region Entrant Fee Spreadsheet.

6.2 Banquet Awards Committee

- A Zoom Banquet Awards Committee meeting was set for September 29 at 7:00pm
- Interested participants will be invited by email
- The purpose of the Zoom meeting is to define banquet awards and ideas within the Standing Rule in place

7.0 Old Business

7.1 Review of MI Region Financial Records

- Melissa Felts completed a financial review of the Michigan Region of the National Council of Corvette Clubs for fiscal years 2020 through 2025
- Overall, the financial records reviewed were found to be generally consistent, with no significant or unexplained discrepancies identified.
- The review did identify several areas in which recordkeeping and financial procedures could be strengthened to provide a more complete and consistent audit trail
- It was proposed to compensate Melissa Felts \$100 for this financial review.
- George Duncan made a motion to compensate Melissa \$100 for her time/work, Kevin Mead seconded the motion. Governors voted: **PASSED**

7.2 2026 MI Region Awards Banquet Proposals

- Discussion continued for the official MRCC regional logo to be on all MRCC apparel and awards. It was discussed to take the TM symbol off
- The proposed language revision will be made to SR# MI-05 and voted on in November

8.0 New Business

8.1 Rookie Driving School

- Angela and Mark Hanlin announced that they are stepping down as co-chairs for the Rookie Driving School after 21 years
- Much appreciation goes to all the instructors and all others who supported this program
- The school has been an unqualified SUCCESS, and certainly would like to see it continue
- Kalamazoo Corvette Club showed interest in continuing the Rookie Driving School, with Doug Blower participating in the transition and planning. Is there a club willing to support the school with help for Kalamazoo at least during the day of the school?
- The next school is not until the Spring of 2028 and Kalamazoo is willing to continue the school but does need help
- We are looking to members to be volunteers to plan, organize, prepare and lead the school. The planning usually starts about 6 months before the school which involves a lot of communication, some meetings and organization prior to the event. Then be available to make sure everything runs smoothly the day of school

- If you have any questions about the school, contact Mark or Angela Hanlin and they would be happy to discuss it with you

9.0 Health Updates

- Kathy Duncan – IHCC – Kathy is doing well after having an iron infusion and a stent put in

10.0 General Comments

- Andy Harrison introduced CCBC new Governor, Cheryl Miller
- Check the MI Region and NCCC calendar for many events on the schedule
- There is MI Region apparel on the website, and Fug in Marshall, MI has the region art work. If you would like the MRCC logo on a shirt, get it to Angela Hanlin at a region meeting. Angela will drop off and pick up at Fug and return to you at the next meeting.
