Regional Membership – Jennifer Wiegers

- Prepared by Jennifer Wiegers, MI-RMD
- We currently have 16 clubs in our Michigan Region
    - 985 members overall including 24 MAL members.
    - We have lost 98 members since September. This is due to renewals. We will gain some back as we always do with late renewals.
    - Largest 3 clubs in the region:
        - America's Corvette Club with 183 NCCC Members
        - Kalamazoo Corvette Club with 152 NCCC Members
        - Corvette Club of Michigan with 114 NCCC Members
- I recently learned that Grand Valley Corvette Club will not be renewing with NCCC in 2027. They have decided after 57 years of alignment with NCCC to part ways. The reasoning given was that they want to only operate as a social club moving forward. Under the direction of our national VP of Membership, Sandy Arnold, I reached out to the club as a whole and invited those interested in remaining with NCCC to stay on as MAL's. I have heard from several of their members and we are working to get those interested in staying with NCCC as MAL's for the time being.
- Last reminder: Renewals are due nationally no later than November 15th. Check must be received by me on or before that date. If you didn't bring it with you tonight, please make a plan with me before leaving tonight on how you will get that to me prior to the deadline

DRAFT

- If you have not voted for our national candidates and by-law changes, competition changes – TIME IS RUNNING OUT!!! I have my computer here tonight and you can do it before you leave. We are looking for 100% participation from the Michigan Region this year with voting.
- Have you added your club to the Find a Club page on the NCCC website? We only have 8 clubs listed there. Please see me tonight before leaving and I will help you get your club listed. If after renewals are complete your club isn't listed, I will be reaching out to you individually via phone to get this completed. We want 100% of our clubs listed there.
- We will be voting on realignment this weekend. Hopefully you saw the amended proposal submitted by Sandy Arnold our VP of Membership that she sent out mid-October. The amended proposed realignment now affects the Michigan region and is laid out as follows: The regions being affected are:
    - Northwest Region, West Coast Region (this would make 32 clubs and 2188 members and take the region from the Mexico Border to the Canada border from North to South)
    - Rocky Mountain Region, Roadrunner Region (this would make 14 clubs and 1055 members and take the region from the Mexico Border to the Canada border from North to South)
    - Northeast Region, East Region (this would make 29 clubs and 2212 members and take the region from Virginia to the Canada border in Maine from North to South)
    - Southeast Region, Carolina Region (this would make 19 clubs and 1116 members and will run from the Gulf Coast in Mississippi and Alabama north through Kentucky)
    - West Ohio, Michigan (this would make 24 clubs and 1356 members and take the region from the KY border all the way north through Michigan including all of the U.P.)
- We will be talking about ways to market NCCC
- MALS continue to be a hot topic and we will be working on those as a region as soon as renewals are done. Our goal for 2027 is to get these MALS connected with clubs in their area and get them involved with those with like-minded interests and clubs that meet their interests
- I am currently in discussions with 2 clubs here in the Michigan region that are not members of NCCC and we are working to see what we can do to bring them onboard to the Michigan Region and NCCC.
- As a last note – please have your members who have recently become Lifetime Members check the join date on their black cards. There was a second round of them that just went out the end of October and it appears that the join date on them is incorrect. We are working to figure out where things went wrong on this. I have an idea, but I am reserving it for a discussion when our IT Director, Walt joins our RMD meeting on Friday evening. But nonetheless, this is super embarrassing and needs to be corrected right away. I am aware of several across the nation that are incorrect, so I am please asking that you have your Lifetime members double check and let me know right away of anything that is incorrect so it can be addressed immediately.

Regional Competition – Scott Kennedy - Absent

- Prepared by Rene Cardenas for Scott Kennedy
- Rene Cardenas reported a list of MI Region competitors in the top 15 positions currently
